

## AT-S Small Sill Mount Chain Actuator 200mm Stroke

- Suitable for top-hinged windows, bottom-hinged windows and various applications
- Fixed stroke 200mm
- Stainless steel double link chain
- Push-pull force 300N available in operating voltage 24Vdc and 230Vac with current absorption
- External casing in zinc alloy and aluminium
- Can be mounted directly to sill on with mounting brackets

Parameters	24V	220V
Voltage	DC24V±10%	DC24V±10%
Cutoff Current	0.6A	0.15A
Force	250N	250N
Speed	10mm/s	10mm/s
Temperature	-20-75°C	-20-75°C
Protection Class	IP32	IP32
Electric Connection	2 wires	3 wires + earth
Limit Stop	Electronic	Electronic
